SPECIAL THANKS

I would like to dedicate this album to the memory of Maggie Hawthorne for being so instrumental in my career and my beloved friend. And to Paul Cantor, who's more than my manager but my guiding force.

Special thanks to José for his warmth, good feeling and great sense of humor; to Dave Grusin for being the perfectionist he is and bringing out my best when I needed it most; to all the people at Sunset Sound Studios for making me feel at home and introducing me to the knish; to Brenda Kaye for being my friend and always being right there when I needed her; to Stan, Lee, Abraham, Carlos, Larry, Paulinho, and Randy for being the great professionals they are and making it a lot of fun; to Don Murray for being the best in the business; and to Larry Rosen and Duke DuBois for always being so positive and believing in me as an artist and human being.
